TOTAL MARKS		100

Marks for incorrect timing will be deducted from the Chairman as follows - two marks for each full minute over or under time on the total team performance.

PROCEDURE

1. One half hour before the commencement of the competition, all club teams, who must be present in their entirety, must report to the Chief Steward at the competition venue in order that the ballot for order of appearance can be made. Failure of any team to report at this time will mean disqualification of that team.
2. Competitors may then join the audience but all team members will be required to report again to the Steward in charge not less than 15 minutes before they are due on the platform.
3. *The Speaker* - The Speaker will select a subject of his or her own choosing and will give a talk of approximately five minutes duration. For the National Finals it will be the responsibility of the Speaker to ensure that the Events Co-ordinator of the Scottish Association of Young Farmers Clubs is informed of the title of the subject at least 21 days before the date of the National final.
4. Approximately 3 minutes should be given on the completion of the speech for questions and answers.
5. *The Chairman* - The Chairman is expected to take control of the whole meeting and introduce the Speaker and the Mover of the Vote of Thanks to the audience and judges. After the speech has been delivered he/she will call for the questions from the appointed Question Masters, call for the Vote of Thanks and wind up the team's performance. For all of these duties should take approximately four minutes. The optimum time allowed for each team is 15 minutes. (Other times are only suggested and marking will be on total time only).
6. *The Mover of the Vote of Thanks* - The Mover of the Vote of Thanks when called upon by the Chairman should sum up the speech and the questions and express thanks to the Speaker for his/her talk and the time suggested for this is 3 minutes.
7. Brief notes may be used by each team member but speakers may be penalised for reading their speech. Lecterns may not be used.
8. Teams may, if they wish, change the subject of their talk for the National Final after the Regional Elimination.

ENTRIES

In the National Finals four teams from the West Region, three from the East Region and three teams from the North Region will be eligible to compete.
