

# Lambing Assistant (Barrhead) Mackay Fencing Ltd.

## Experienced Lamber Required

Night lamber required for 3-6 weeks from the end of March for a 450 mule ewe and hogg system at:

**Knockenjig Farm  
Sanquhar  
Dumfries and Galloway.**

Attention to detail, cleanliness and ability to work and communicate within part of team a must. Role will require someone who is confident and able to work with sheep on their own with backup available from an on call nightshift rotation. The candidate may also be required to monitor cows calving at night too so some experience doing this would be helpful.

Accommodation can be made available if required. Rate of pay dependant on level of experience. Option for extra work may be available post lambing for the right candidate.
