

## **Agricultural Technician**

**Kirkwall**

**Full-Time**

**Fixed Term**

**£24,479 – £26,616 per annum**

**Reference: CML/CS/046/26**

**Closing date: 15<sup>th</sup> February 2026**

### **About The Team:**

As part of SRUC, [SAC Consulting](#) is one of the leading agricultural consultancies in Scotland. We are uniquely placed to support the sustainable growth and prosperity of agriculture and land-based businesses; working across food supply chains as they rise to the challenges of climate change, biodiversity loss and food security.

SAC Consulting believes in supporting you locally, which is why we have 85 consultants and a further 35 technicians and administrators in 25 offices across Scotland, providing local knowledge and farming expertise to over 9,000 farmers and crofters.

### **The Opportunity:**

An exciting opportunity has arisen to work as part of our friendly and successful team in Kirkwall, Orkney. This role will provide support to farming businesses, and includes a blend of practical and technical consultant support activities with farm accounts technical data processing.

Key elements of this role include:

- Working with farmers and their farm business accounts data.
- Performing farm accounts analysis, working in the national team delivering the Scottish Farm Business Survey.
- Supporting consultants in delivery of national programmes and initiatives, including the Scottish Farm Advisory Service and Whole Farm Plan.
- Sampling and data collection, both in office and on farm.
- Possessing good communication and numeracy skills.
- Having attention to detail, and ability to embrace new technical IT systems and methods.

### **Minimum Qualifications:**

The successful candidate will be educated to [SCQF level 6](#) (SCQF Higher Level) including a high degree of numeracy or possess equivalent experience.

For full person specification, download the job particular document.

## **Eligibility for Sponsorship:**

This role is not eligible for sponsorship under the Skilled Worker route. If you are a migrant worker you will need to ensure you have an appropriate visa to evidence the necessary right to work in the UK.

## **Why work for SRUC?**

- Generous annual leave
- Enhanced pension contributions
- Cycle to work scheme
- Discounted RAC Membership
- Generous family leave
- Flexible working patterns
- Hybrid working solutions (in some areas)
- Tailored investment in and individuals' learning and development

## **How to Apply:**

Please complete an online application form by visiting [SRUC | Jobs at SRUC](#)

Please read the Job Particulars document before applying for this.
